DETAILS

The elegant Neo Trawler is a 30-meter luxury trawler based in the stunning harbor of Göcek, offering an exceptional blend of comfort, technology, and refined cruising. Built in 2020 and fully refitted in 2025, Neo delivers a modern yachting experience with spacious interiors, advanced navigation systems including radar and night vision, and eco-conscious features such as 10 kW solar energy support. Accommodating guests with a professional crew of five, the yacht features full air conditioning, satellite TV, high-speed 5G WiFi, a fully equipped professional kitchen and bar, and generous living spaces designed for long, comfortable voyages. Cruising smoothly at 9 knots with a maximum speed of 12 knots, Neo is perfectly suited for luxury escapes along the Turkish Riviera and beyond.
